

Foster/Glocester Public Comment Policy

The Foster/Glocester School Committee has the following responsibilities:

1. to hire and fire the superintendent
2. to set educational policy
3. to present a budget to the public.

The superintendent is responsible for the day-to-day operation of all aspects of the school.

Public comment should be limited to educational matters of concern to the board on unresolved issues concerning the superintendent or schools. Other school related informational comments will be heard. The chair reserves the right to rule comments out of order and limit time allowed to two minutes. The chair also reserves the right to allow more time as the chair seems necessary.
