

**FOSTER-GLOCESTER REGIONAL SCHOOL DISTRICT  
SCHOOL AFFILIATED ORGANIZATIONS**

**Forward**

The Foster-Glocester Regional School District encourages school affiliated organizations consisting of parents/guardians school staff, and friends of the school. These organizations may not establish educational policy, participate in the administration of the school, or authorize the management and/or direction of any school affairs.

**General Provisions**

School affiliated organizations shall promote student welfare, the development of close relationships between home and the school; the development between education and the public of such united efforts will secure for every student in the schools the best educational program possible.

Such organizations shall not use the district's name (or school names) or logo in their titles, nor may they solicit funds, without the Superintendent's consent both in concept and the actual context of the solicitation. Such permission to use the district/school's name or logo does not constitute permission to act as the district's representative. The district bears no responsibility nor will it be liable for any actions taken by school affiliated organizations.

The school committee shall make it a practice not to interfere with the internal workings of such groups.

Any meetings held on school premises must follow the district's Use of Building procedures.
