

FOSTER-GLOCESTER REGIONAL SCHOOL DISTRICT

Glocester, RI

SUPERINTENDENT AUTHORITY TO PAY BILLS

PURPOSE:

The purpose of this policy is to establish conditions under which the Superintendent of Schools may authorize payment of bills due and payable on behalf of the School Committee.

PHILOSOPHY:

The School Committee recognizes that it makes good business sense to allow for the payment of bills due and payable in advance of an opportunity for the Committee to have reviewed the bills and sets forth this policy to govern such actions.

POLICY STATEMENT:

The Vice-Chairperson of the Foster-Glocester Regional School Committee has the responsibility of reviewing bills prior to the scheduled monthly meeting of the School Committee.

All bills will then be officially presented and approved at the regular monthly meeting.
